## Some thing to Consider:

- How long is the program?
- How do Colleges and Universities differ?
- Can I begin the program somewhere and transfer?
- What is the intake period. Can I apply for January entry?
- Is there a waitlist or priority admission?
- How big are the classes?
- Do programs include work and/or practicum? When can I apply for a co-op?

## After Acceptance:

- Who do I talk to about choosing first year courses?
- Which courses do I have to take during my first semster/year?
- Can I visit the campus anytime?
