MRSS Morning Announcements

Wednesday, November 25th, 2026 Day 7 D-C-B-A

A Message From Student Council:

The class cash competition started last Monday the 23rd. We will be accepting donations for two more weeks until Wednesday December 9th during Block A. We are collecting donations for the Friends in Need Foodbank to help support local families during the Christmas season, when grocery costs can be especially difficult. Every donation counts and ALL participating classes will receive candy. Teachers please pin up a Ziploc bag in your classrooms for cash donations.

Rainbow Connections will meet at Tutorial in room 2007

Breakfast Club is happening tomorrow, beginning at 7:45 in the cafeteria. Join us for a free breakfast. Everyone welcome!

Student Aides should be meeting with teachers by now to complete their rubric for their Term 1 report card. If you are a Student Aide and you have not done this yet, pick up your rubric in the office and read the post on your Student Aide Team for the details.
