## Welcome to the MyEducation BC MyClass,

Here are just a few things that you can do in this program:

- Check your attendance
- Look at your current and previous marks, assignments, due dates and feedback (if your teacher uses the Gradebook).

### Getting Started:

Your log in ID is **your student number**. A password should have been e-mailed to you on your SD42 email address.

Go to the [MyClass](#) page to login or to [SD42](#) to connect to MyEducation BC.

Log in and you will be prompted to change your password.

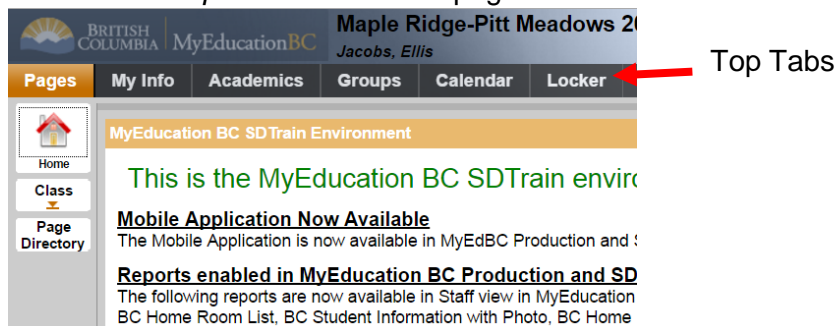

The first thing you want to do is set your preferences (located in the top right hand corner).

**Set Preferences**

Change *default locale* to US. For the next tab, **Security**, add a security question and the answer. This is so that you can reset your password if necessary. Click **Ok**.

### Navigation

There are 5 *TopTabs* on the main page.

The **Pages** top tab is where you see the main screen and where you will be able to access any web pages that you are a member of. Click on **Page Directory** to check for pages.
