TAKE YOUR KIDS TO WORK DAY is an annual national program in which **Grade 9 students** are hosted by parents, friends, relatives, and volunteers at workplaces across the country every November. The program supports career development by helping students connect school, the world of work, and their own futures.

This year, PMSS grade 9 students will participate on **Wednesday, Nov. 1, 2023**. This day is a part of the Career 9 course so there is an assignment to go with the day. If students do NOT participate, they should attend school (there is an alternate assignment students will need to complete if they do not participate).

Students – a message was sent out via Teams and the permission form was sent out via the Portal so please remind your parents to complete this form ASAP. Please see Ms. Cooley if you have any questions.
