Friday, December 20
Last day of school before winter break

Monday, January 6
School reopens after break

November Update from Samuel Robertson Technical Secondary School

Dear SRT Families and Students,

November is here, and with it, a busy season of learning, reflection, and connection at SRT. As we continue through the school year, we are grateful for the support and involvement of our school community.

We know that November can be a challenging month for students. With shorter days and cooler weather, it can be harder to stay energized. However, this is an important time for students to stay focused as they work toward the exciting month of December. Thank you for your encouragement at home—it really makes a difference.

We also want to remind you of a few important dates this month:

Student-Led Conferences – November 7:

This is a wonderful opportunity for students to share their progress, goals, and accomplishments with you. We encourage all families to attend these conferences and be a part of our students' journeys.

Remembrance Day Ceremony – November 6:

On Wednesday, November 6, we will hold a special assembly to honor those who have served and sacrificed for our country. This day of remembrance is an important part of our tradition, and we invite students to participate respectfully as we reflect on the meaning of this day together.

Additionally, please take note of other key dates this month:

- Take Our Kids to Work Day – November 6: For Grade 9 students, this is a fantastic chance to gain hands-on experience and insights into potential career paths. We hope all Grade 9s will participate in this valuable day.

- Professional Development Day – November 12: A reminder that there will be no classes on this day as our staff engages in professional learning and collaboration.

As the weather changes and the days grow shorter, we also want to remind everyone about the importance of safety when traveling to and from school. Whether walking, biking, or taking the bus, please encourage your children to stay visible and alert, especially during early mornings and late afternoons.

For more details on our full calendar, please refer to our November calendar [here](#).

Thank you for your continued support and engagement. We look forward to another meaningful month together at SRT!
