### ➤ Ken

- February was dominated by course selection
- Counsellors and Admin are going around to classes to talk about course selections
- Students have high anxiety about what classes to take
- Report Cards coming out March
  - Comments being written
- Students went down to Cesquenela for presentation - to see if they might be interested in teaching elementary school
- We received lots of great feed back about our students from the Cesquenela staff

### ➤ Andrea

- Grades 8 and 9 - on-line selections
- Lots of conversations with students
- Met with Grade 10s and 11s; their course choices have increased
- Parent and guardian conversations with students about course selection very helpful. If parents and guardians know what courses their kids choose, it is less likely that course changes will need to be made
- Lots of ski trips coming up. Let's hope we get more snow on the mountains
- Basketball season is over, Basketball banquet coming up
- Spring sports will be starting up – track and field
- Recruiter from Fraser Health will be at SRT
