

NOVEMBER NEWSLETTER #2

Nov. 1st, 2021

Last week our Global Education class which is taught by Ms. Zagar participated in **Compassionate Systems Training** live over Zoom all the way from Denmark. There are only a small handful of schools world-wide part of this training which focuses on student well-being and taking action to improve school, community and the world.

November brings us to the halfway point of Semester 1 and our first Report Card which will be LIVE at 12:00pm Monday, Nov. 15th. A copy of the report card will be provided to all students that week as well.

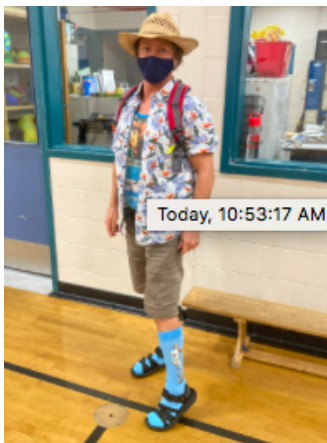

Homework Club is launched Tuesday, November 2nd. This student organized and student led initiative will provide help with homework or a quiet space to do your work! Computers are available for those that require access to technology!

The Homework Club is on Tuesdays and Thursdays in the CLC room 1027 for free tutoring from 3pm-4pm.

All students are welcome!
