## Soccer Academy Application

Welcome!

The Soccer Academy at Westview is designed to develop the individual skills of the participants and give them an appreciation of teamwork in the game of soccer. The program will serve both local and international soccer athletes who choose to participate in this specialty program. The program has a strong commitment to excellence in student achievement and is fully integrated into the regular school timetable.

The Soccer Academy at Westview will provide unique soccer courses. These courses will have in-class and on-field instruction. In the classroom, students will receive instruction in fitness, nutrition, strength training, sport philosophy, goal setting, time-management, leadership skills, coaching philosophies and laws and the history of the game.

The on-field sessions will focus primarily on individual skill development as well as principles of attacking and defending, positional responsibilities, systems of play, restarts and set-plays.

### **Academy Course Structure:**

- Grade 8 – Soccer / PE
