APPLICATION FOR PARTICIPATION IN GRADUATION 2027 EVENTS

Student's Last Name	Student's First Name

All secondary schools in School District #42 adhere to a practice of allowing students to participate in the Graduation Ceremonies under the following conditions:

1) The student must be eligible to graduate by having 80 credits for graduation including at least 16 credits at the Grade 12 level, a Grade 12 Language Arts course, and 12 other credits. These may be from Required Courses or Elective Credits. Students must have written all of their Graduation Assessments including Numeracy 10, Literacy 10, and Literacy 12.
2) The student is in "good standing" with the school. Students under suspension are not permitted to participate in the Graduation Ceremony.
3) The student must not owe any outstanding fees to the school.
4) The student must have signed this application form and returned it to the office.
5) The student must have paid their $345 graduation fee.
6) Parents of a student in danger of losing this privilege will be informed in writing. Final decisions may not be made until early in June, and may be appealed to the Principal.

If for some reason a student does not meet the graduation criteria, the only function they will not be able to participate in will be the Graduation Ceremonies at the Chandos Pattison Auditorium. You will be entitled to a refund for this function only. All students in good standing are welcome to attend the Dinner & Dance and Dry Grad.

I am aware of the school's student expectations for participation in Westview's Graduation Ceremony 2027.
